CIRCULAR TO THE PARENTS

Dear Parents,

Greetings from Royal International School Transport Services .

We take this opportunity to thank the parents of large number of students who have entrusted us with the responsibility of transporting their children to and from the school. We deeply appreciate the trust , confidence and co-operation you have placed in us.

In order to ensure a smooth and efficient transport arrangement, we would like you to note the following:

- a) The list of the relevant bus-stops with timings for all the routes is attached herewith. In case you need any clarification, please feel free to contact at the school office. Please ensure that you note the timings and the location precisely.
- b) All children must reach their stops at least 5 minutes before the designated time. It would not be possible for the school transport to wait for any child who is late.
- c) The person who will pick up and Drop the child is expected to carry the 'Authorization Card' provided by the school. If this person is not at the 'bus-stop' at the designated time or with the Authorization Card your child will be brought back to the school. You will then be expected to pick-up your child from school on your own.
- d) If on any day your child is not using the school transport, please inform the school office in advance.
- e) Suggestions and grievances may be brought to the notice directly to Principal There will also be a Transport Committee for School comprising of the Principal , Admin Officer /Transport Officers and two designated parents from the school.

- f) All Lady Attendants will have a dedicated Mobile Number and will be designated for each route. They will be monitoring discipline in the school bus, besides taking responsibility for conducting the Bus and shall be reporting directly to the School Principals and the Transport Department.

We look forward to build a smooth transport arrangement in the school with your co-operation.

Sincerely,

Principal
